I the undersigned applicant, hereby apply to be instructed in the Kenpo 5.0 program. I agree to undertake that I will not use or teach Martial Arts in an abusive manner outside the school's teaching premises. I accept my rights, risks and responsibilities as outlined below.

APPLICANTS RIGHTS AND REPONSIBILITIES

All students have the right and responsibility to excuse themselves from any exercise they believe will be harmful to them. All students must evaluate each situation in the context of their skill and current physical condition, and to conduct each drill in a manner that is safe. If an instructor gives an instruction that is unsafe for the student, it is the student's responsibility to inform the instructor that the drill may be unsafe. The instructor will excuse the student from any unsafe exercises and drills.

In the event of an injury, students have the right and responsibility to evaluate the extent of the harm and determine whether it is safe to continue. Unless a student is certain that further practice will not create or exacerbate a problem, all students are encouraged to stop what they are doing and inform an instructor. In the event of a serious injury, all students, instructors, staff and visitors have the right to call a stop to a particular training exercise. If a student notes an unsafe training situation, the student must notify an instructor or staff member immediately.

ASSUMPTION OF REPONSIBILITIES AND RISK

Martial arts is a potentially dangerous activity. Bumps, bruises, scrapes, scratches are commonplace, and most students will encounter this sort of minor injury from time to time in their training. More serious injuries are possible including sprains, twists, cramps and injuries of similar nature, and students can expect to encounter these injuries infrequently. The possibility of more serious injury exists including fractures and torn ligaments.

I understand the above statement of risk, and I understand the rights and responsibilities of students. I assume responsibility for my own safety and accept and understand the risks involved with martial arts training.

I release and indemnify Kenpo 5.0 Cambridge and its instructors, staff, guests, students, landlords, management companies and any other relevant parties against any liability, loss, claim or proceedings in respect of any personal injury sustained by me resulting in activities as a student, unless caused by the negligence of the Kenpo school and/or its agents.
